Path : /home/audithciabuja/public_html/
Certificate Validity : 1 year (Valid till 29-06-2026)
Change Request : Email from ardhhasindia@gmail.com dated 02-07-2025 (08:04 PM)

The above mobile application has undergone through IT (Cyber) Security Audit by our organization through provided production APK as per guidelines, advisories, white papers and vulnerability notes issued by Indian Computer Emergency Response Team (CERT-In) and National Critical Information Infrastructure Protection Centre (NCIIPC). We also tested the mobile application against various Mobile Security Standards, Directions by CERT-In under Section 70B, Information Technology Act 2000, Guidelines for Secure Application Design, Development, Implementation & Operations, SANS Top 25 Software Errors, Common Weakness Enumeration (CWE), Common Vulnerabilities and Exposures (CVE), The Mobile Application Security Verification Standards (MASVS) and Mobile Security Testing Guide (MSTG) etc.

Conclusion: On the basis of audit outcomes, it is certified that the above application is safe from any known vulnerabilities as on date.

The Certificate shall be deemed invalid if the underlying IT infrastructure of the mobile application gets modified after compliance audit.

The previous Safe to Host certificate dated 01/07/2025 will be treated as cancelled due to change request raised by the auditee for correction in organisation address name.

Other Recommendations:

1. Server Security and the OS hardening need to be in place for the production server, it is also recommended to deploy and proper configure the SSL.
2. Mobile Application should comply with Guidelines for Indian Government Websites (GIGW).
3. Organization must comply with the Directions issued by CERT-In dated 28 April 2022 relating to information security practices, procedure, prevention, response and reporting of cyber incidents for Safe & Trusted Internet.
4. The Developer Team must follow the Technical Guidelines on Software Bill Of Materials (SBOM) issued by CERT-In dated 03.10.2024.
