BUILDING RELATIONSHIPS TO NURTURE GROWTH. Between India and Nigeria

25 - 27 AUG 2015
EKO HOTEL, ADETOKUNBO ADEMOLA STREET, VICTORIA ISLAND, LAGOS
Confederation of Indian Industry (CII) in association with High Commission of India, Nigeria and supported by the Ministry of Commerce & Industry, Department of Commerce, Government of India, is organizing “The India Show” in Lagos, Nigeria. “The India Show” is an initiative of the Government of India to promote “Brand India” and the Indian industry, overseas, especially in developing countries and emerging markets with a demand for Indian products and Technologies.

With a population of 175 million, Nigeria is Africa’s most populous nation and is considered a political and economic powerhouse in the continent. The key U.S. partner is rich in oil, a major trading partner with China, and is the hub of global business in the region. Nigeria has been among the fastest growing economies in the world in the past decade with an annual average growth of 6.7%. Throughout the last 10 years, Nigeria has been carrying an ambitious reforms agenda. The economy responded with strong growth between 2003 and 2010 – averaging 7.6% growth. It is ranked 30th (40th in 2005, 52nd in 2000), in the world in terms of GDP purchasing power parity (PPP) as of 2013, and has now surpassed South Africa as the biggest economy in Africa after a rebasing calculation almost doubled its gross domestic product to more than $500 billion, and is in line to becoming one of the 20 largest economies in the world by 2020.
