

## **Press Release**

### **Important Notice: Updates to Visa Fee Payment and Residence Proof Requirements**

The High Commission of India in Abuja wishes to inform all visa applicants about the following updates to the visa application process, effective from 1st December 2024:

**1. Visa Fee Payment Modes:**

Due to ongoing challenges with the Point of Sale (POS) system, visa fee payments will now be accepted through account transfers and cash payments only.

**2. Proof of Residence:**

Applicants may now submit either their Nigerian passport or their National Identification Number (NIN) as valid proof of residence when applying for a visa.

We remain committed to providing streamlined and reliable services to all applicants. Thank you for your understanding and cooperation.
