PRESS RELEASE

Registration for admission in Indian universities/institutes in the academic year 2021-22 under 'Study in India' programme of the Ministry of Education, Government of India is now open.

2. 'Study in India' programme gives an opportunity to the international students to be part of the vast and diverse Indian education system, which is one of the largest and widely appreciated higher education system in the world. We offer a wide variety of courses from the modern and cutting edge to the traditional Indian education, exposure to the latest advancements of science and technology like virtual and augmented reality, Artificial Intelligence and Cognitive Computing, yoga, ayurveda, Sanskrit and classical dances. The Indian education system provides enhanced opportunities to students for all-round academic and personal development. Alumni of Indian universities/institutions have excelled in diverse fields of human endeavours in their home countries.

3. Details about 'Study in India' programme are available at the link: <https://www.studyinindia.gov.in/home>. Interested students are welcome to register themselves at the link:
